# About Competition

Submit your ideas as Power Point presentation,  
Max of 10 slides

It is a team competition with 2-5 students in each team. Deserving individual candidates with exceptional ideas will also be considered.

All *IDEAS* will be evaluated based on the originality of thoughts.

Each team or applicant that is shortlisted will be invited for ORAL presentation before an expert panel

- IEDC incubation facility will be provided to the first prize winner
- Shortlisted ideas will be submitted for the K-DISC's YIP Challenge
- E- Certificates will be issued for all participants
