

Student Centric methods

Experiential Learning

1. Mathematics

- **Association Inauguration**

The activities of Mathematics Association 'MATHEMATICA' for the Academic year 2020-2021 were formally inaugurated on **16th August 2021** by Fr. Xavier C S, Principal Kuriakose Elias College Mannanam. The meeting was presided over by Prof. Stancy V Sebastian, Head of the Department.

- **Onam Celebration**

Onam is the biggest and the most important festival of the state of Kerala. Department of Mathematics, Kuriakose Elias College, Mannanam conducted Onam its celebration "Ee Onam Sookshichonam" on 18th August 2021. This year Onam celebration went fully online. The Mathematics Association conducted online competitions on Malayali Manka, Kerala Sreeman, Photography, Kavitha Rachana and Onapaattu for the students of various departments of K. E. College. The participants were requested to submit their entries via online before 18th August. Winners were announced in the official Onam celebration of the department and the winners of each competition were given attractive cash prizes.

As part of Onam celebration students conducted various cultural activities and games. There were both pre-shot and live programs. The main attractions of the program were Onappattu, dance, speech and songs by the students of our department. Prof. Stancy V Sebastian, Head of the department, addressed the gathering and conveyed greetings and wishes of the festival. This was followed by various games like tongue twisters and sundariku pottu thodal. The program was organized and coordinated by faculties and students of II DC Mathematics.

2. Physics with Applied Electronics

- Nagasaki Day

In connection with Nagasakki day students and teachers of Department of Physics with Applied Electronics, K E College, Mannanam have organized, Poetry Writing Competition “Never again, please never again” on 9th August 2021. This competition was mainly conducted to promote peace and create awareness about the threat of nuclear weapons through their poems.

There were 5 participants. Sreedev P Dharman ,II DC Physics With Applied Electronics has secured first prize. Anjima Udayan ,II DC B.Sc Psychology (aided) has secured second prize . Ashina Solomon, II DC Psychology (SF) has secured third prize. Students did remarkable work and enjoyed their creativity and imagination.

- **Ozone Day Celebration**

The Department has organized a photography competition namely "കാറ്റും കുളവും തേടി" on the eve of World Ozone Day. The main aim is to remind the students about the depletion of ozone layer and it's dangers. The ozone layer of the earth protect us from the harmful UV rays of the sun. Unfortunately, our race for maintaining a high quality of life has led to its depletion. On the 1st January of 1989 the Montreal protocol came into force to stop the depletion and reduce the usage of substance that causes holes in our protective blanket. Sustaining the ozone layer is hence the collective responsibility of all nations. We the Department of Physics with applied Electronics conducted a photography competition on the theme of "കാറ്റും കുളവും തേടി" to exhibit the affinity and love towards nature and save the ozone layer. Many students participated in the competition.

3. Economics

- **Talent Day Celebration**

In connection with National Youth Day, talent day program was organized by the Research and postgraduate Department of Economics in association with the Cultural Club of Kuriakose Elias College Mannanam on 12th January 2022. Dr Xavier C S, Principal, Dr Rinu Jose, Head of the Department, Mrs. Amal Sharin, Cultural Club coordinator and Association Director were the other dignitaries of the event. All the teachers and **seventy-five** students of the department attended the program. The program began at 1:30 am and was conducted in Christopher Hall.

- **Teachers Day Celebration**

Teachers' day was celebrated by the students of the Economics Department of Kuriakose Elias College Mannanam on 5th September 2021. The program was conducted via google meet at 3 pm. All the teachers and students of the department actively took part in the program.

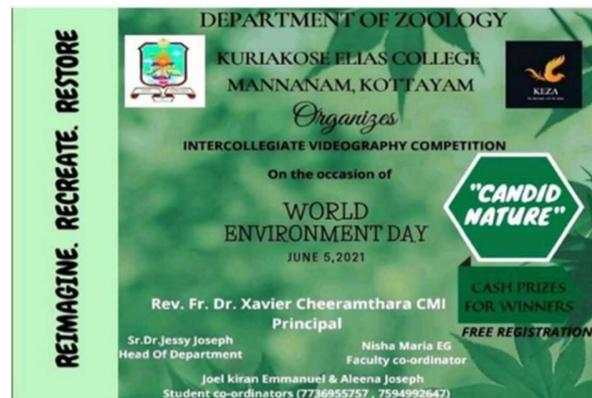

4. Zoology

- **World Environment Day Commemoration**

The activities of KEZA for the academic year 2020-21 began by observing World Environment Day on June 5, 2021, declaring solidarity with nature and our mother Earth. In accordance with the 2021 theme, members of our association have actively engaged in various activities such as tree planting, eco-friendly art and craft making, paper bag making etc. and jointly released an Environment Awareness video as a part of the Peer learning wing of KEZA. The video clearly conveyed the message of the UN Decade of Ecosystem restoration and the importance of youth participation in this venture. We also organized an Intercollegiate online videography competition 'Candid Nature' for encouraging college students to observe and conserve the beauty of nature. The entries were scrutinized by Sri. Mahesh Poloor. Cameraman, Manorama News Cochin. Mr. Basil Tytus of Sahrdaya College of Engineering, Kodakara, Mr. Abhishek Siva of St. Aloysious College, Edathua, and Ms. Anju Joe of Jesus and Mary College, New Delhi bagged the first, second and third prizes respectively.

World Environment Day Commemoration

5. English

- **Teacher's day**

As part of Teachers Day, department of English organized a letter writing competition and concept writing competition for the students of K.E College. Students wrote letters to their favorite teachers, as a part of letter writing competition students shared their concepts of a perfect teacher, best entries were awarded with attractive prizes and the top three were published on the laces Instagram page.

6. Psychology

• Field Visit (Max Minds Rehabilitation Center)

The students of Ist M.Sc Psychology, Department of psychology, K.E. College, visited Max Minds Rehabilitation Center, Payyannur, Kannur as part of their experiential learning. The objective of the visit was to provide an experiential learning to understand about psychiatric rehabilitation and psychiatric management. The mental health services are mostly ignored and mismanaged in the country. To have a practical knowledge about various symptoms and treatment of mental disorders students spent two weeks in the rehab work under the team of various Mental health professionals. Each student took individual cases, conducted psychoeducation classes for inmates.

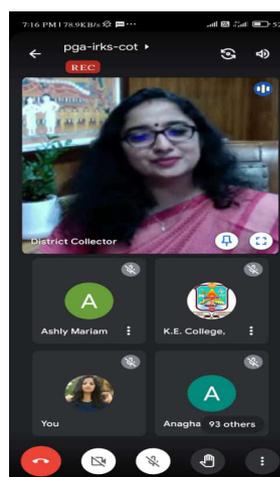

- **Industrial Visit to MIDAS Mileage Ltd.**

The 3rd B.sc students of Psychology Department, K.E. College, visited MIDAS Mileage Tyre factory at Ettumanoor, Kottayam. The objective of the visit was to provide an experiential learning for students regarding the functioning of an organization, the hierarchical structures, employee welfare of an industry. To have hands-on experience for the students to smear and understand the field of industrial psychology. Students were split into two groups and visited the factory. Two faculty members, Ms. Elsa Jose and Ms. Karthika Elizabeth, accompanied the students.

- **World Mental Health Day Observance**

The Post Graduate Department of Psychology organized an Online ‘World Mental Health Day Observance Week Inauguration’. Dr. Divya S Iyer, IAS, District Collector of Pathanamthitta inaugurated the Program. In her inaugural address she evoked the importance of Mental Health in this unequal world. She also told about the responsibility of each psychologist to trigger different issues. Fr. Dr Xavier Cheeramthara CMI, presides over the meeting. Father congratulated the various efforts taken by the department of Psychology to the academic and other nourishments of students as well as the society. Fr. Biju Thekkekutt CMI, the Bursar of K E College addressed the gathering. Objective of the program was to promote mental health awareness for all. Fr. Johnson Joseph CST, Head of the Department, welcomed all the delegates to the meeting and Sr. Teena Maria CNI, association secretary delivered the vote of thanks.

7. Physics

- **Fab Lab Visit**

The Department of Physics at K.E. College, in association with the IEDC and the IIC of the college, conducted a Fab Lab visit for B.Sc. students on November 26, 2021. The Fab Labs programme was set up by the Kerala government to encourage start-ups in printed electronics and related fields. Fab Labs are fabrication laboratories that offer digital fabrication and computation. The Super Fab Lab will allow the state to produce machines locally and will give India's hardware industry a giant leap. At present, Kerala has two electronic Fab Labs—one at Thiruvananthapuram and the other at Kochi. The Super Fab Lab at the Integrated Startup Complex (ISC) of the Kerala Startup Mission (KSUM) is the only such facility outside of the US. Two faculty members of the physics department and 34 students have visited the Super Fab Lab of the Kerala Startup Mission at Cochin. Students learned about 3D printing and many other facilities that they can use to build up their innovative ideas. All have benefitted well enough from this visit.

- **Industry Visit: V-guard**

The company that was selected for the industrial visit of the 3rd year B.Sc Physics students of KE College, Mannanam was V-Guard Industries Ltd, which is a major electrical appliances manufacturer in India, and the largest in the state of Kerala. It is a consumer goods company with diversified product offerings like voltage stabilizers, electrical cable, electric pumps, electric

motors, geysers, solar water heaters, air coolers and UPSs. It's headquarter is in the city of Kochi, Kerala. Over the years V-Guard has forayed into Electronics, Electrical and Consumer Durable segments. It was founded in 1977 by Kochoseph Chittilappilly as a small voltage stabilizer manufacturing unit. 27 students participated in the industrial visit on February 25 th 2022. The plant manager gave a tour of the company where the students and faculty members witnessed the actual assembling of the different parts of stabilizers, testing of stabilizers, varnishing unit and the storage unit of the completed products.

8. MSW

- **Plastic Bag Free Day**

July 3 marks International Plastic Bag Free Day with the importance of reducing the usage of plastic in everyday life. The International Plastic Bag Free Day was started by Zero Waste Europe, a Brussels based non-governmental organization (NGO). The organization in its website has presented several statistics to show how dangerous single-use plastic bags are. This day is observed to create awareness about the threat caused by plastic pollution to the natural environment, be it land or marine life. On July 3, TSW Shirona and TSW Kripa observed International Plastic Bag Free day by releasing a documentary to represent the workers of MCF (Material Collect Facility) center which is the ground level of plastic recycling unit in Panchayat level. This aims to give awareness to the public about the hard work of the staff who strive for plastic free Kerala. The video shows the day-to-day activities of MCF (Material Collection Facility) center of padiyoor panchayat in Thrissur. The workers of MCF collect and segregate the plastics that are included in

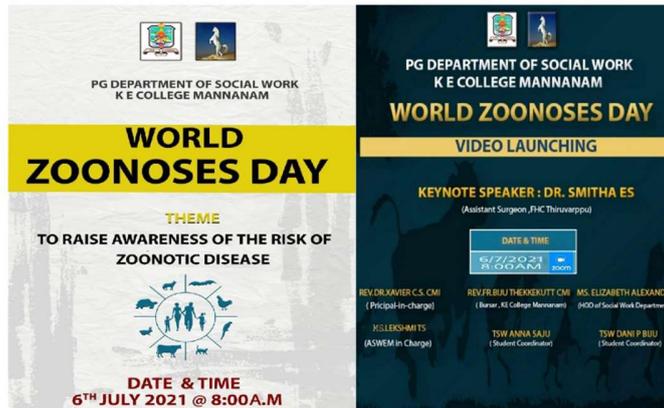

the video thereby the society can realize the efforts of workers to eradicate plastics despite this Covid -19 pandemic situation.

The image displays two promotional materials for an event at Kuriakose Elias College. On the left is a poster for 'INTERNATIONAL PLASTIC BAG - FREE DAY' featuring a large plastic bag floating in the ocean. On the right is a Zoom meeting invitation with a QR code and a 'HEARTY WELCOME' banner. The invitation text reads: 'Friends, As part of observing International Plastic Bag - Free Day on 3rd July, we the PG Department of Social Work of K.E College, Mannanam is releasing a Documentary video to generate awareness among public. Kindly join with us. PROGRAMME CHART'.

- **World Zoonoses Day – July 6**

World Zoonoses Day commemorates the work of French biologist Louis Pasteur, on 6 th July 1885, he successfully administered the first vaccine against rabies, a zoonotic disease. The day has become more significant in our current situation as the COVID-19 pandemic continues to take lives and disrupt economies across the world. So it's our duty to control such diseases by our joint efforts. As a part of observation of World Zoonoses Day, TSW Dani .P. Biju and TSW Anna Saju had launched an awareness video citing the importance of this day on 6 th July Tuesday at 8:00 am through the online platform. The video contains adequate information about zoonotic diseases. It identifies the trends driving the increasing emergence of zoonotic diseases, including increased demand for animal protein, a rise in intense and unsustainable farming, the increased use and exploitation of wildlife and the climate crisis. The video also contained the message of Dr. Smitha E.S, Assistant Surgeon, FHC Thiruvrappu. She gave a message about the relevance of zoonoses day and described the major zoonotic diseases and precautions that we must follow in order to avoid such diseases.

- **World Population Day 2021**

As part of observing World Population Day 2021, TSW. Alen Grace Jose and TSW. Chanchal G had launched an awareness documentary on 11th July 2021, Sunday at 11:00am through the online platform. The documentary contains almost all information regarding World Population Day. It also clearly explained about the various population issues and raised an awareness regarding how to control the rapidly increasing population. The program started at 11:00am with silent prayer. Student coordinator TSW. Chanchal G delivered the welcome speech. Ms. Lekshmi T.S, ASWEM Faculty in-charge gave an Introductory speech, she mentioned about the relevance of the day. Ms. Elizabeth Alexander, HOD of the Social Work Department had released the documentary. After the documentary release Ms.Simple Mathew, Faculty of Social Work Department delivered Felicitation. Finally, the program ended with a vote of thanks by the student coordinator TSW. Alen Grace Jose.

- **Malala Day Observation**

As part of observing MALALA Day PG Department of Social Work, KE College Mannanam in association with ASWEM conducted a community programme for Distributing Educational materials in Kozhimala tribal community on 21st July 2021, Wednesday at 11:00pm. The money for the study materials was raised through the One Notebook campaign organized by social work students. Children magazines were also received in collaboration with Manorama. During the covid pandemic situation, a small group of teachers and students went to Kozhimalai and the student group interacted with Sri. Balan, who is the young king of Kozhimalai. Student Coordinators of the program were TSW Amrutha TS and TSW Megha George.

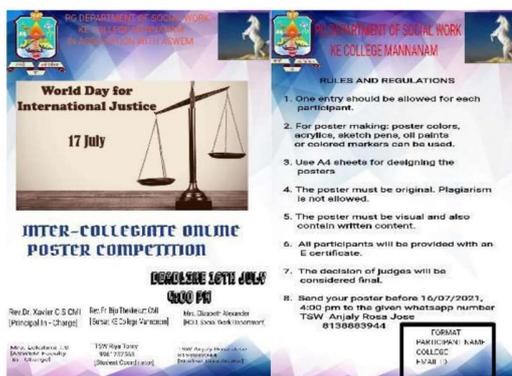

- **World Environmental Day Celebrations**

World Environment Day is celebrated annually on 5 June and is the United Nation's principal vehicle for encouraging awareness and action for the protection of the environment. It provides a global platform for public outreach, with participation from over 143 countries annually. As part of environment day celebrations, the Post Graduate Department of Social Work conducted an online photography competition on 5th June 2021. It received positive responses from various colleges including the students from K E College. After that competition students of the Department of Social Work created a video with the collage of those photos. The program was a great success.

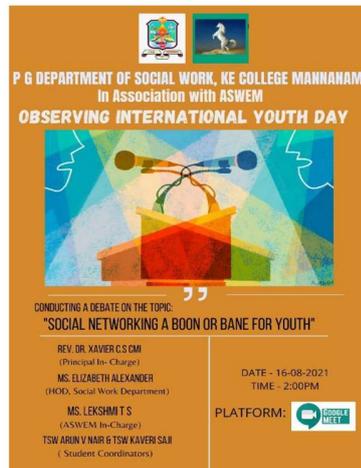

- **International Justice Day**

As a part of observation of international justice Day TSW Anjaly Rosa Jose and TSW Riya Tomy had decided to conduct an intercollege online poster competition. TSWs had invited the students from different colleges to take part in this competition. The aim of the program was to make people aware of the importance of this day. Rules and regulations were provided for the competition. All the participants strictly followed the rules. The deadline was till 15 th July 2021. There were many entries in this competition. Out of which Chinnu k Joseph from Assumption college got the first prize, and Varsha from Malabar college of engineering and technology got the second and Arjun from MGM College of Engineering and Technology got the third prize. Online certificates were distributed among the winners. The competition was very successful because of the cooperation of our teachers, candidates who participated and our dear friends.

- **International Youth Day**

As a part of the observation of International Youth Day, TSW Arun V Nair and TSW Kaveri Saji had decided to conduct a debate on the topic “Social networking boon or bane for youth”. The importance of this day on 16 th August Monday at 2.00 Pm through the online platform. The Student coordinator TSW Arun V Nair delivered the welcome speech to the student coordinator Tsw KaveriSaji, moderator of the debate. Elizabeth Alexander, Head of the Department of Social Work, Ke College Mannan led the program. The positive group and the negative group said their own opinions. The debate was successful because of the cooperation of our teachers, and our dear friends.

- **World Breastfeeding Week**

As part of observing World Breastfeeding Week 2021, TSW Jayalakshmi C and TSW Jeena M. B had conducted an awareness program on 6th July 2021, Friday at 11.00am through the online platform. Dr. Nisha V. Krishnan (Assistant Professor of Pediatrics, Government Medical College, Kottayam) was the resource person. The main objective of the class was to inform people about the importance of protecting breastfeeding. More than hundred breastfeeding mothers under the Anganwadis in Kottayam district were able to participate in this program.

- **International Day of Democracy**

As part of observing International Day of Democracy 2021, TSW. Sandra K. George and TSW. Jayalakshmi. C had launched an awareness video on 15th September 2021, Wednesday At 10.00 am through the online platform. The video clearly explained our democracy is confined in books. A country cannot be considered as democratic when it fails to promote the well-being of people and continues dictatorial power. The programme started at 10.00am with a prayer. Student coordinator TSW. Jayalakshmi.C delivered the welcome speech. Ms. Elizabeth Alexander, HOD of Social Work Department had released the video. After the video release Fr. Biju Thekkekuttu CMI, professor and bursar of KE College delivered a message. Finally, the programme was ended with vote of thanks by student coordinator TSW. Sandra K. George.

- **World Aids Day Program**

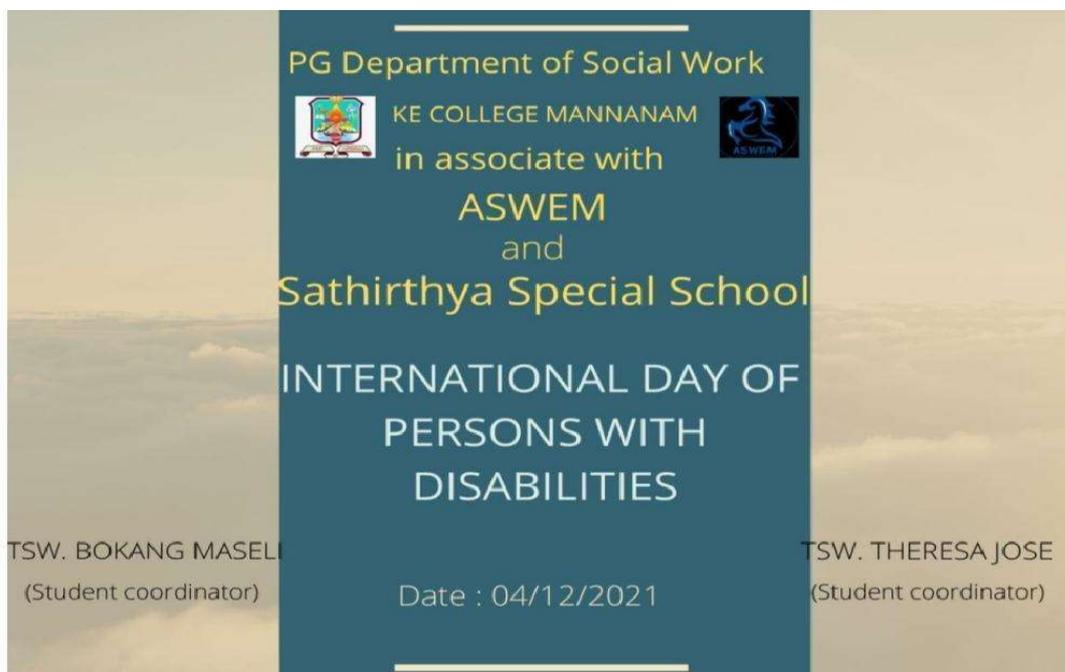

PG Department of Social Work, KE College Mannanam in association with ASWEM and KSACS jointly organized a programme on World AIDS Day. The main aim of this programme

was to create awareness among public about AIDS, The KSACS plays a pivotal role in the state's strategy in competing the HIV / AIDS epidemic, it is an autonomous society registered under the Charitable Societies Act, with its members known from all key government departments to ensure greater flexibility and more effective program management. Its work is supervised by a governing body shared by the Chief Secretary of the State. KSACS was formed to implement the National AIDS Control Program (NACP) in the state. It works under the International AIDS Organization which is a part of the Ministry of Health and Family Welfare of the Government of India. Post Graduate Department of Social Work KE college Mannanam in association with ASWEM and the department of social work BCM College Kottayam jointly participated in the program conducted by KSACS.

- **International Day of People with disabilities**

PG Department of social work KE college Mannanam along with ASHWEM organized an organizational visit to Sathirthya Special School, Villooni as part of celebrating the day of INTERNATIONAL DAY OF PERSONS WITH DISABILITIES on Saturday December 4th. The coordinators of the program were TSW students Theresa Jose Maliakal and Bokang Maseli. The program started at 2:00 pm. The program started with the welcome speech of TSW trainee Anagha Anu. She welcomed the director of the school Sr Vincy, the disabled students, the staff, guide Sherin miss and the whole MSW family. The presidential speech was done by Sr. Vincy. She made us understand the need for special schools and how to take care of them. She also gave us detailed information about the functioning of the school and their future programs and the difficulties of running a special school. The speech was very informative and instructive. TSW student Vineetha made handmade cards for all the five special students and that was very touching and heartwarming.

- **International volunteer day for economic and social development.**

MSW first year students of K E College Mannanam, conduct a seminar based on international volunteer day. The topic of the seminar was ‘volunteer now for future security’. The programme started at 11.00 am. The seminar started with a prayer from the department choir. TSW Amala Jose welcomed all. Fr. Biju Thomas CMI conveyed the keynote address. Dr. Tiji Binu gave wishes to the seminar.

- **International day against corruption**

PG Department of Social Work from KE College Mannanam along with ASWEM organized a video releasing as part of the International Anti-Corruption Day on December 9, 2021 to create awareness about corruption and its effects in society. The coordinators of the program were TSW. Abhijith Chandran and TSW. Heera Sebastian. The program started at 12:45 pm with a silent prayer. The welcome speech was given by TSW. Abhijith Chandran. The presidential speech was given by PSW. Ms. Elizabeth Alexander, HOD Department of Social Work. She explained about corruption and how it affects common people. Corruption is a social evil; it destroys democratic framework for the benefit of few. After the Presidential address video launching was done by Fr. Biju Thomas CMI, Bursar of KE College. The video explained about corruption, its harmful effect and the Indian perspective of corruption. After the video TSW. Heera Sebastian delivered the vote of thanks.

Participative Learning

1. Mathematics

● 35 INTERCOLLEGIATE QUIZ COMPETITION

The 35th Intercollegiate Mathematics Quiz competition (online) was conducted on 21st and 23rd February 2022. The competition was held in two rounds. Dr. Aparna Lakshmanan, Associate Professor, Department of Mathematics, Cochin University of Science and Technology, Kochi was the quiz master. The preliminary round was conducted on the 21st. Out of the 147 national level participants in the preliminary round, a number of participants were selected to the second round which was conducted online. The competition was a grand success. Ms. Rahila K K, WMO Arts and Science College, Muttill, Wayanad, Kerala has won First prize and Mr. Aman Jose, BTech(Computer Science), Federal Institute of Science and Technology(FISAT), Angamaly has won Second prize.

2. Computer Applications

● Campus Out-reach program on Energy Conservation (E-SMART)

We people waste a lot of energy in our daily usage either by not turning the lights off when not in use or by utilizing old and inefficient appliances that consume large amounts of energy or by not switching off the vehicle engine when the light is really long. Energy needs to be conserved not only to cut costs but also to preserve the resources for longer use. For this, the **Department of Physics with Applied Electronics and Department of Computer Applications**, in association with IEDC and IIC conducted a one-day workshop on “LED Bulb making”, on 20th January 2022 at 2PM at St. Augustine Higher Secondary School, Karimkunnam as an initiative for the conservation and preservation of energy and resources for longer use.

Mr. Anish Kumar P.S, Assistant Professor, Dept of physics with Applied Electronics, K.E College, Mannanam, conducted the workshop for the electronics students. Around 24 students participated in the workshop. The students were familiarized with the components of LED bulbs and their assembly. The students made the LED bulb individually and made it a successful one. The teachers of K.E College, Mannanam handed over the LED bulbs assembled by the electronics students to the principal of St. Augustine Higher Secondary School, Karimkunnam Mr. U.K Stephen to promote the usage of LED Bulbs in Schools and among Students.

3. Physics with Applied Electronics

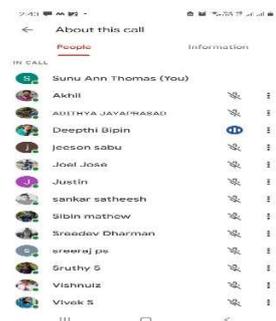

- **Exhibition cum Sale**

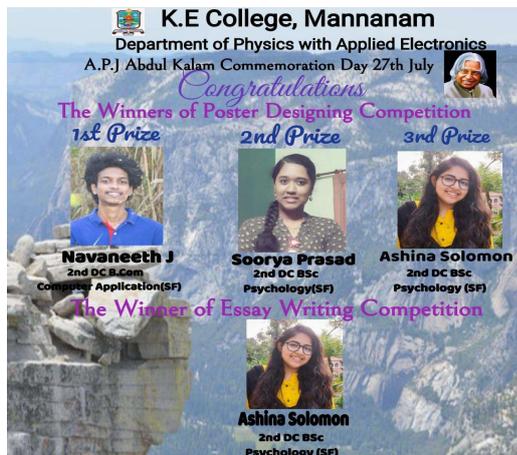

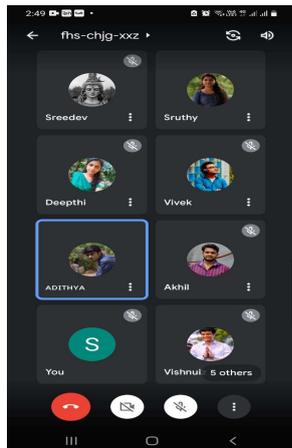

The Department of Physics with Applied Electronics in association with IEDC and IIC conducted an exhibition cum sale on 10th December 2021 to exhibit the students talents on making useful products. All the Students of our Department actively participated in the exhibition and made it a successful one.

- **Poster Design and Essay Writing Competition**

On behalf of the 6th commemoration day of Dr APJ Abdul Kalam “The Missile Man of India” and the former president of India, The Department of Physics with Applied Electronics conducted a Poster Design Competition for all UG and PG students in KE College, on the Topic: ‘Are we alone in the Universe?’ and an Essay Writing Competition on the Topic: “Culture of Science: A pre-requisite for self-reliance in Science and Technology”, on 27th July 2021.

● Skill development program

4. Economics

● Poster Making Competition (World Population Day)

The department of Economics of Kuriakose Elias College, Mannanam had organized a poster making competition in connection with world population day for the students of the college on 12th July 2021.

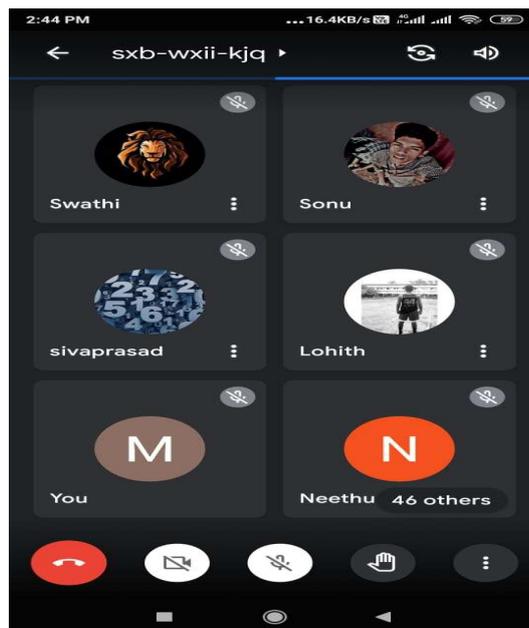

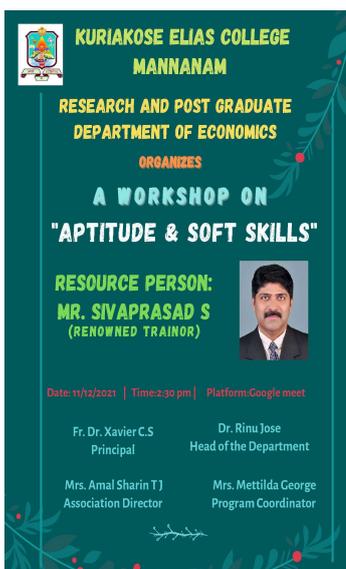

- **Poster Designing Competition Bharat Ka Amrut Mahotsav**

Department of Economics organized a poster designing competition in connection with Bharat Ka Amrut Mahotsav on 15th August 2021. The theme of the competition was “India: Retrospect @75”. Ms. Jeena Jose, IInd DC Political Science student of KSMDDB College Sasthamkotta, Kollam secured first prize. Ms. Aparna Ravikumar, 2nd year M.Com student of K. E College Mannanam won the second prize. Ms. Uthara U.V. 2nd year, Bsc Psychology student of K E College Mannanam secured the third prize.

- **Workshop on Aptitude and Soft Skills**

Research and Postgraduate Department of Economics, Kuriakose Elias College Mannanam organized a workshop on "Aptitude and Soft Skills" on 11/12/2021 at 2.30 pm through google meet. Mr. Sivaprasad S, a renowned trainer was the resource person. He discussed mental ability, reasoning ability, aptitude tests, etc in an interesting manner with maximum student involvement. The programme started with a silent prayer and Ms. Mettilda George welcomed the gathering. This session was an interesting and informative one. 46 students participated and took advantage of the programme. Ms. Gurupriya A delivered a vote of thanks and ended the programme at 5:30 pm.

5. Zoology

- Arts and Science exhibition -2021.

Workshop on Aquarium Making

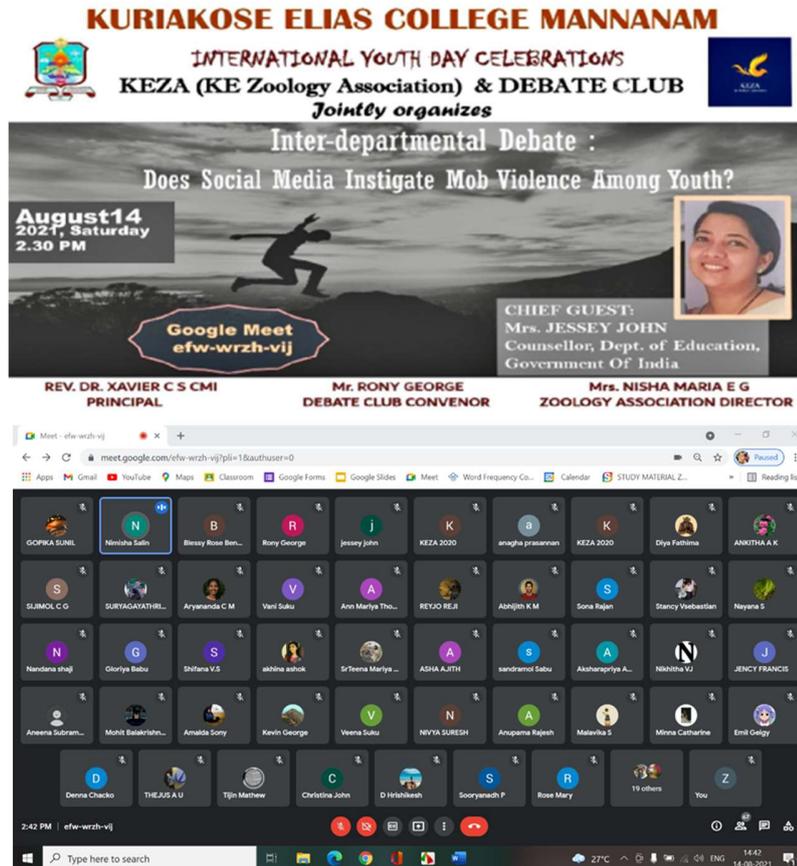

- Exhibition Cum Sale on Ornamental Fish Breeding And Vermicomposting

- **Interdepartmental Debate Competition**

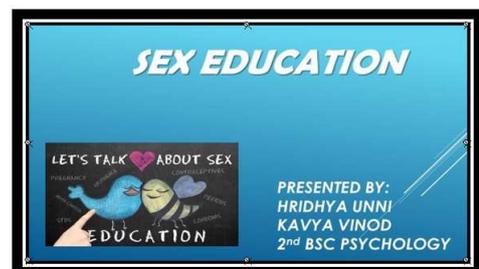

Interdepartmental Debate Competition on the topic, “Does social media instigate mob violence among youth” to commemorate World Youth Day, on August 14, at 2.30 pm on Google Meet.

6. Psychology

- **Group Discussion on Importance of Sex Education in Today’s Society**

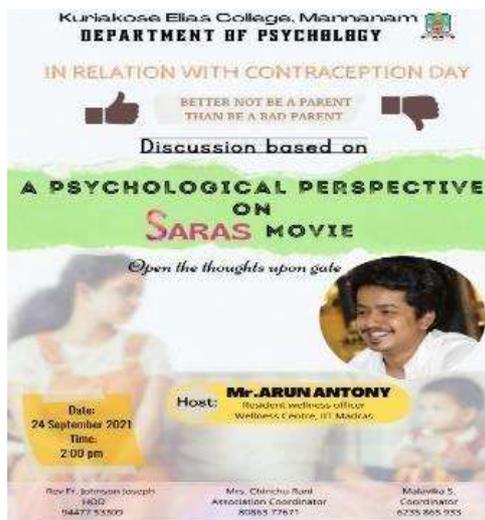

The Undergraduate Department of Psychology as part of participative learning, conducted an offline Discussion on ‘Importance of Sex Education in Today’s Society’ during the association hour. The discussion was led by final year undergraduate students Ms. Kavya Vinod, Ms. Hridya Unni. The objective of the programme was to create a fruitful discussion among college students about the need of sex

education in modern society, amongst the increasing sexual crimes, gender discrimination, exclusion of LGBTQ+ community in Indian society. Psychology students initiated a healthy discussion highlighting problems created as a result of lack of age-appropriate sex education. The students contributed their viewpoints, discussion concluded with changes that could be brought to society as a result of proper sex education.

- **Group Discussion on Psychological Perspective of SARAS Movie**

The Post Graduate Department of Psychology as an initiative of participative learning, conducted an Online Discussion on ‘Psychological Perspective of SARAS Movie’ in relation with Contraception Day. The Resource persons of the program were Mr. Arun Joseph, Resident Wellness Officer, Wellness Center IIT, Madras and Dr. Suma Jilson (Pediatrician)

- **Workshop On Research Methodology and Intellectual Property Rights**

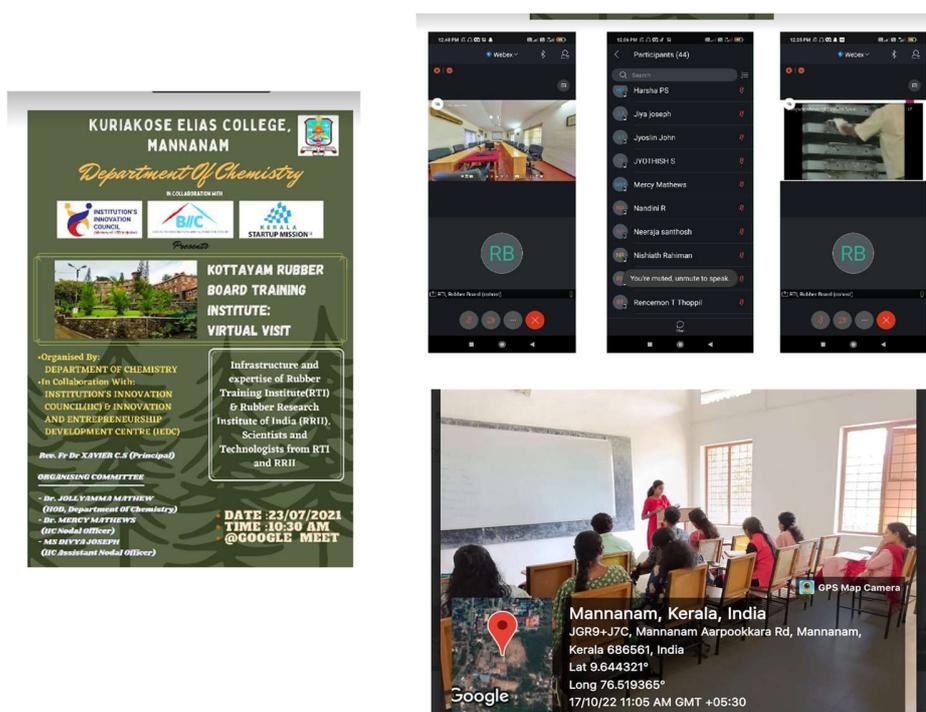

The Postgraduate Department of Psychology, K E College Mannanam, conducted a one day workshop on the topic Research Methodology and Intellectual Property Rights on 15th December 2021. The Resource person for the programme was Dr. Justine K James, Assistant Professor in Psychology, Sri Achutha Menon Government College, Thrissur. The programme was conducted for final year degree students and postgraduate students aiming to orient them on research methodology and intellectual property rights.

address. Felicitation was given by Fr. Biju (self-financing co-ordinator), Johny Sir and Mercy Miss. Dr. Mejo Jose, programme coordinator delivered the vote of thanks. Mr. Joymon J. (Vakkayil Farms and Seedlings, Lakkattoor) was the resource person for the workshop. He was the runner-up of Karshakasree award, 2022. He achieved many awards for the excellence in farming. He sermonized on the topic of precision farming and seedling production. It was informative and fruitful for those who are interested in farming with minimum expenditure. Also emphasized in the necessity of a kitchen garden in the current situation of price hike of vegetables and toxic vegetables in the market. Demonstration session of seedling production was also conducted as a part of this workshop at 2.00 pm. 13 students of second year, 12 students from first year of P.G attended this workshop and 5 faculties led the sessions. We provided participation certificates for all the students. The workshop wound up at 4.00

7. Chemistry

• Virtual Industrial Visit

We had our virtual industrial visit to Kottayam Rubber Board Training Institute on 23rd July 2021. This programme was in collaboration with IIC, BIIC and KSUM. It was a great opportunity to know about the institute, infrastructure, opportunities and expertise of the Rubber Training Institute and Rubber Research Institute of India, Scientists and Technologists of RTI and RRII.

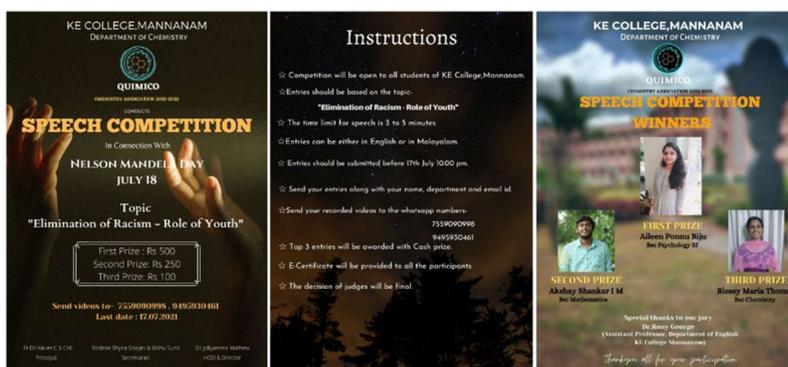

- **Poster Making Competition**

In connection with the World Ozone Day, Quimico conducted a poster making competition on the topic “Ozone Layer Protection: The mission Goes On” on Sept 16. Total of 14 students participated in the competition and cash prizes were distributed to all the winners. We had Dr. Linta Maria Jose (Dept. of Chemistry) and Rony George (Dept of English) as the jury of our competition. NEERAJA SANTHOSH: Won second prize in the Poster Making Competition organized as part of the World Ozone Day Celebrations

- **Speech Competition (July 8)**

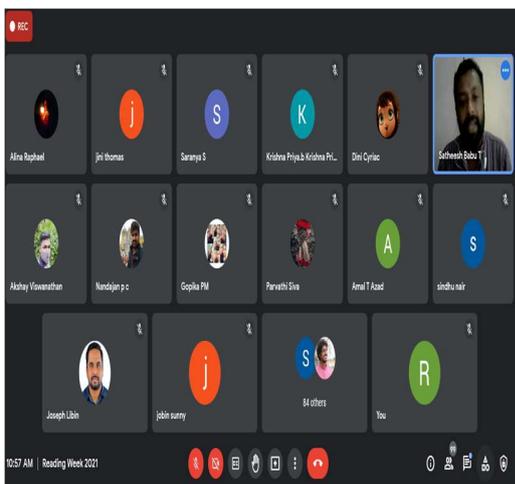

In connection with Nelson Mandela Day on July 18, Quimico conducted a speech competition on the topic “Elimination of Racism – Role of Youth “. Total 8 students participated in the competition and cash prizes were distributed to all the winners. We had Dr.Rony George (Dept of English)as the jury of our competition. BLESSY MARIA THOMAS: Won third prize for the speech competition organized as part of the Nelson Mandela Day

8. Physics

• Reading Week Celebration

We are living in an era witnessing numerous amazing events. Every sector undergoes dynamic changes. Human life is susceptible to all these revolutions that abutted life and technology. We welcomed swift changes in our routine inadvertently. It is even reflected in our consciousness and self-building activities like reading, thinking and storage of information. In this scenario, the Department of Chemistry of **M. E. S. College**, Nedumkandam and **St. Michael's College**, Cherthala along with the Department of Physics, **K. E. Mannanam** collaboratively organized an open platform for discussion on the titled theme. The participants were the students and faculties of the respected colleges. The webinar was conducted using the platform of Google meet. The respected principals, HODs and teachers were present during the webinar and the students actively interacted and expressed their views on the topic. Moderator of the interactive session was Prof Satheesh Babu and the coordinators of the program were Dr. P Manoj, Dr. Ranjini Radhakrishnan and Dr. Jimi Thomas. There were above 100 participants out of which 49 students were from our college.

9. English

• Reading Day: Book Review Competition
