Mannanam Boat Jetty –“Chavara Kadavu Cleaning Campaign”

Mannanam Boat Jetty commonly known as “Chavara Kadavu” is a place of historical and economic importance. It’s the place where Saint Kuriakose Elias Chavara first arrived at Mannanam and gradually created Ashramam and schools here. Also, it’s a jetty on the side of Meenachil river and Pennaar thodu through which goods were carried over to the old Athirampuzha market in the beginning of 1900s. But later it lost its significance with the development of road transport. From 2018 onwards the NSS unit of our college along with the St. Joseph’s Training College initiated the renovation of Chavara Kadavu to make it a prominent place in the pilgrim tourism map. With this objective in mind a trust has been created as “River Protection Samithi” and our program officer Ms. Neethu Jose is one of the Vice presidents of the trust.

Since 2018, our volunteers had undertaken shramadhaan activities for the renovation and maintenance of the Jetty by removing weeds and other plastic materials from Pennaar thodu which got deposited from the nearby areas during rain. This year also we conducted two shramadhaan on 22nd October 2021 and 5th March 2022. With the continuous efforts, recently the Mannanam Jetty was included in the tourism project by DTDC and they conducted a pilot study for pilgrim tourism starting from Kumarakom through Meenachil River linking Kudamaloor, (birth place of St. Alphonsa) and Mannanam extending to Athirampuzha. 30 volunteers participated in the cleaning programme.
