Vice Chancellor of Mahatma Gandhi University. On the right, under the heading "Presidential Address", is a circular portrait of Fr. (Dr.) Kurian Chalangady CMI, Manager.

Report on the Inauguration of the Research Centre, Department of Statistics, K.E. College, Mannanam

The Department of Statistics, K.E. College, Mannanam marked a significant academic milestone with the inauguration of its newly sanctioned Research Centre on 8th November 2024. The event was graced by distinguished dignitaries, faculty members, research scholars, and students, and took place in the college auditorium.

The auspicious function commenced with a welcome address by Prof. (Dr.) Ison V. Vanchipurackal, who warmly received the guests and highlighted the relevance of research in statistical sciences in today's data-driven world.

Rev. Fr. Kurian Chalangadi CMI, Manager of K.E. College, delivered the presidential address, expressing his pride in the department's growth and the institution's commitment to academic excellence and research.

The inauguration of the Research Centre was officially done by the Honourable Vice Chancellor of Mahatma Gandhi University, Prof. (Dr.) Aravindkumar C.T. In his address, he emphasized the importance of nurturing research at the postgraduate level and commended the department for its consistent academic contributions.

The keynote address was delivered by Prof. (Dr.) Babu Michle, Syndicate Member of M.G. University. He reflected on the evolving scope of statistical research and encouraged scholars to pursue innovative and socially relevant research topics.

Felicitations were offered by several distinguished guests. Dr. K.K. Jose, Director, School of Mathematics and Statistics, M.G. University, congratulated the department on this notable achievement and highlighted the role of research centres in fostering academic rigor and collaborative learning. Fr. (Dr.) Xavier C.S. CMI, Vice Principal of the College, and Fr. Biju Thomas CMI, Bursar also extended their felicitations and expressed their support and appreciation for the department's continuous growth and contributions.

The function concluded with a vote of thanks by Dr. Smitha S., Head of the Department of Statistics, who acknowledged the support of the college management, university authorities, faculty, and students in making the inauguration a grand success.

The inauguration of the Research Centre marks a new chapter in the academic journey of the Department of Statistics, opening new avenues for advanced research and scholarly contribution.
